Subject: Letter of intent to collaborate on research proposal

Dear Dr. Vizcaíno:

I am writing to express my interest and willingness to collaborate in the research proposal entitled:

“Evolutionary functions of infant-directed speech: Impact on attention, auditory preferences, and early linguistic and musical development”, submitted by the principal investigator Dr. Juan David Leongómez, to the XV Internal Research Call of Universidad El Bosque.

I confirm that I am aware of the general scope of the proposal and, should it be selected for funding, I intend to participate as an external co-investigator, contributing my expertise and knowledge within the framework of the proposed activities.

Sincerely,

Full name: David A. Puts
Current position/affiliation: Professor of Anthropology and Psychology, The Pennsylvania State University
